That will Complete this weeks test–

Good evening. This is (your call) calling the Northern Michigan Linked Repeater Network Weekly net. This is a directed net, meeting every Thursday at 2100 hours local time on the various linked repeaters and via allstar and echolink. All stations are invited to check in. The purpose of this net is to provide information and coordination concerning the activities of the Northern Michigan Auxcomm organization across District 7 & 8. The net is also intended to serve as a weekly emergency operations training session and a weekly test of communications equipment. All stations standby for check-in. Be advised that **STATIONS WITH EMERGENCY TRAFFIC MAY BREAK IN AT ANY TIME** . {Unkey; Pause only momentarily}

First Standby will be for estations holding emergency traffic or the net. Please call now.

(Pause for about 10 seconds)
